The Art of Promoting Yourself: Perfecting Your Pitch

Thursday, September 10th
6:00pm - 8:00pm

Light Refreshments & Networking begin at 5:30pm

Being able to describe yourself and your business is an integral part of your personal brand tool-kit. Your "pitch" needs to convey a compelling and memorable message that encourages your listener to take action and make the discussion last longer.

This workshop will help you:

Develop and deliver a "pitch" with confidence and credibility

Speak articulately and use appropriate body language

Communicate a clear and concise message
