Help with hurricanes

It's hurricane season on Long Island, but are you and your children prepared in case one heads our way? As part of the Allstate Readiness Series, the Middle Country Public Library will be hosting "Hurricane Hunters," a program for children in grades two through eight as well as families, which offers an exciting, hands-on introduction to weather-related events. It will be held Thursday, Aug. 27 from 7 to 8:30 pm at the Centereach building. In addition, the program will offer tips on how to be best prepared for a hurricane. The program is presented by the American Red Cross and the Long Island Science Center. Register at www.mcpl.lib.ny.us or by calling 585-9393 ext.107.
