

# *Teens Drive Safe:* Teen Driver Survival Training

*For teens 14 - 18 years old.*

**T326**

Calling all teens! Join us for an eye-opening experience at this hands-on driving event. Teens will be driving actual electric cars in a safe environment while learning the hazards they could face as a young driver. Parents are welcome to attend.

Teens who complete the event will receive 2-hours community service.

***Saturday, May 14***

***11:00am - 1:00pm***

Event will take place at the Brookhaven Safety Town:  
249 Buckley Road, Holtsville, N.Y. 11742

*Each teen must complete a permission slip, available online or at the reference desk.*

Registration is required for attendance.
